

MINUTES OF MEETING OF BOARD OF PUBLIC WORKS OF JANUARY 6TH, 1932.

The Board of Public Works met at the offices of the Board, Union Trust Building, Baltimore, on Wednesday, January 6th, 1932.

Present:

Albert C. Ritchie, Governor.
Wm. S. Gordy, Jr., Comptroller.
John M. Dennis, Treasurer.

Mr. Walter N. Kirkman, State Purchasing Agent, appeared before the Board and explained estimates he had received from three concerns for the installation of sprinkler systems of fire protection in the State House, at Annapolis, Spring Grove State Hospital, at Catonsville, and the Maryland Tuberculosis Sanatorium. He explained the differences in equipment to be used in the work, discussed the relative merits of the companies submitting estimates, etc.

Because of some difference of opinion which existed, the Board requested Mr. Kirkman to get in touch with the two concerns submitting lower prices for the work, with a view to ascertaining if it could be arranged for some of the work to be done by one concern, and some by the other, and to report back to the Board at the earliest opportunity.

There being no further business, the meeting adjourned.

Secretary.
